## Fast-growing middle-market companies make Top 40 list

September 23, 2019

PINEHURST — Forty North Carolina companies were honored on Monday, September 23, at Pinehurst Resort for being named to the 2019 N.C. Mid-Market Fast 40 list. Created by accounting firm Cherry Bekaert LLP and *Business North Carolina* magazine, the list ranks mid size companies based on revenue and employment growth.

In addition to *Business North Carolina* and Cherry Bekaert, supporting sponsors included New Bern-based law firm Ward and Smith and Birmingham, Al.-based Regions Bank. Companies who made the list were recognized at a luncheon, which included an awards presentation and a video of a round table discussion with representatives from some of the winning companies. The list, coverage of the round table, and company profiles will be published in a supplement to the November issue of *Business North Carolina* magazine.
